Janet S. Hendrickson is a partner in the Chemical and Life Sciences group. She specializes in patent related issues, including the development, management, and enforcement of worldwide patent portfolios. She has experience in counseling pharmaceutical, chemical, and food science companies, including Fortune 500 companies as well as start-up companies and universities. She works closely with her clients to protect their commercially important products and to help them achieve their business goals while avoiding infringement of competitors' patents.

Dr. Hendrickson frequently speaks on inequitable conduct and leadership development and is actively involved in the Intellectual Property Law section of the American Bar Association where she is currently the Vice Chair of the Membership Board and is the Vice Chair of the Patent Legislation committee. Dr. Hendrickson is also an active member of the Education Committee of the Missouri Venture Forum where she helps plan and present educational events for entrepreneurs. Dr. Hendrickson was named a Rising Star in the 2009 and 2010 issues of Missouri and Kansas Super Lawyers, and was named by the St. Louis Small Business Monthly as one of the Top St. Louis Lawyers for Your Small Business in 2009.

COMMUNITY INVOLVEMENT

Dr. Hendrickson is an active Board member of the Women's Foundation of Greater St. Louis where she co-chairs the Grants and Programs committee and has responsibility for the grantmaking activities of the Foundation. The Foundation makes grants, educates donors, and collaborates with community partners to raise awareness about the issues that underserved women and girls face in the St. Louis region.
